Purpose of Change:

To enable MagnaChip and Lapis as dual source wafer fabrication sites

Description of Change:

MagnaChip closed their 150 mm wafer CMOS fab in South Korea at the end of 2015. To ensure there is no disruption to supply, we have been working to transfer products from MagnaChip fab to Lapis fab in Japan. Beginning Jan 26th, 2019, the PE44820 shipped to customers will be supplied from either MagnaChip or Lapis wafers. There is no form, fit and function change.

Ordering codes:
 MagnaChip part number: PE44820A-X, EK44820-01
 Lapis part number: PE44820B-X, EK44820-02

pSemi manages inventory on a First-In First-Out (FIFO) basis. For the exact timing of the order code change, please contact your account rep. or accountrep@psemi.com.

For more information, please contact PCN@psemi.com.
